Criterion II - Teaching-Learning and Evaluation

Marian College Kuttikkanam (Autonomous) has taken pioneering efforts to conceptualize and implement Outcome based education in the college. Under OBE, each course has clearly defined learning outcomes which determine what students are expected to accomplish after they complete a programme of study.

The experience of implementing OBE in Marian was documented and reflected upon as a learning experience. The book titled 'Outcome Based Education: Experiments of a Higher Education Institution' was the fruit of this process involving the faculty and students of the college. The book is a testimony of the commitment of the college to the cause of education, its determination to battle all odds during the implementation, and the success that ensued. The first copy of the book was received by His Excellency Shri M. Venkaiah Naidu, the Vice President of India, which was held on 03/01/2022 @ Circuit House, Kochi, Kerala.

A second book from Marian, Transform Learning: A Guide to Implement Outcome Based Education authored by Dr Cherian P Kurien, Fr. (Dr) Regi M Cherian and Fr. (Dr) Roy Abraham P gives an insightful understanding of the theoretical and practical aspects of OBE. This book was released by the Hon.Governor of Kerala, Shri Arif Mohammed Khan.

Articles in English and Malayalam were also published on the OBE processes in Marian.
