

## MARIAN VISION AND MISSION

The Vision and Mission statements of Marian help to set up and focus an organization. The mission defines an organization's reason for existence and its vision leads us to a path in order to bring off success now and in the future.

### THE VISION

To be a transformational leader in education, facilitating and celebrating the full flowering of life in abundance.

### THE MISSION

- Facilitate an enriching scholastic experience focused on higher order thinking and competencies.
- Create avenues for developing artistic, literary and sports talents, life skills, personal health and well-being.
- Nurture a collaborative learning community, open to free exchange of ideas in which research, creative ideation, innovation, and entrepreneurship flourish.
- Influence the educational sector by strengthening and innovating outcome-based learning and assessments, fostering multidisciplinary engagements, and integrating technologies.
- Bring in a transformative impact on society-regional, national, and global-by attracting diverse talents and engaging with institutional partners.
