General Guidelines

1. Field orientation and training

Field practicum begins with an orientation session for the students in each semester. The session covers the course outcomes and competencies to be achieved at the end of the semester. Finalization of field practicum agencies followed by the training sessions on field level activities should be scheduled by the course coordinator.

2. Field Practicum Manual

The field practicum manual should be published by the course coordinator before the commencement of the field practicum. It includes;

- Course Outcome and competencies
- Field Practicum requirements
- Evaluation criteria – Continuous and Semester End
- Reports submission dates
- Reporting Formats
- Name list of students and faculty supervisors

3. Agency Visits

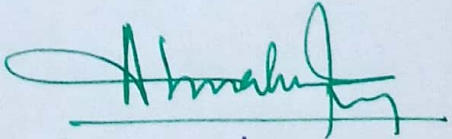

The agency visit is scheduled and allotted to students and faculties by the respective course coordinator.

4. Publication of Continuous Assessment Marks

Publication of Continues Evaluation Marks should be published on time and the marks sheet is countersigned by Course Co-ordinator and Field Practicum Co-ordinator/Head of the Department

5. The ratio of CA & SEE will be 3:2 for field practicum. The Viva-voce shall be conducted by an external evaluator assigned by the Department. In exceptional situations (for instance the COVID-19 and subsequent lockdown) the Department Council may modify the requirements of field practicum and the components and methods of assessment so as to provide the available best learning and acquisition of competencies considering the best interest of the students for the completion of the course and the degree programme.
