Agenda/other items: No 3 in other items: 1 Minutes of the Board of Management held on 4th June 2020

Feedback from various stakeholders was collected and analyzed at the Department level. The suggestions were discussed in the BOS meeting and necessary changes were recommended to the curriculum. These recommendations were forwarded to the Academic Council for approval. Each department prepared an Action Taken Report (ATR), which was then submitted to the IQAC for compilation and preparation of the Annual Feedback Action Taken Report. The IQAC Annual ATR report was examined and approved by the Board of Management.
