

Action Taken Report of Research and PG Department of Commerce(M.Com)

Action Taken Report (ATR) on Curriculum

A structured (rating-based) feedback form, designed by IQAC feedback committee, is circulated among stakeholders such as Students, Teachers, Alumni, and Industry experts by the department to get their suggestions with regard to the quality of the curriculum. The responses from stakeholders are analysed by the members of the feedback committee and suggestions are communicated to the department. The suggestions are discussed in the BOS meeting and necessary changes are recommended to the curriculum. These recommendations are forwarded to the Academic Council for approval. Based on the amendments made by the Academic Council, an Action Taken Report (ATR) is prepared by the department and is submitted to the IQAC.
