MARIAN COLLEGE KUTTIKKANAM
(AUTONOMOUS)

DIVYANGJAN FRIENDLY FACILITIES

Submitted to

THE NATIONAL ASSESSMENT AND ACCREDITATION COUNCIL (NAAC)

FOURTH CYCLE OF ASSESSMENT

Ramps and Lift facility

The ramps are built through the campus where uneven floor levels or kerbs are present to provide convenience and prevent tripping accidents. The college authorities are sensitive towards the differently abled students and have provided lift facility and help these students in minimizing their difficulties. The main entrances and exits are clearly identifiable, easily accessible and can accommodate wheelchair users. Steps and ramps have hand railings and the entrance permitting access to a conveniently located lift.

Ramp Leading to Entrance of Main Block

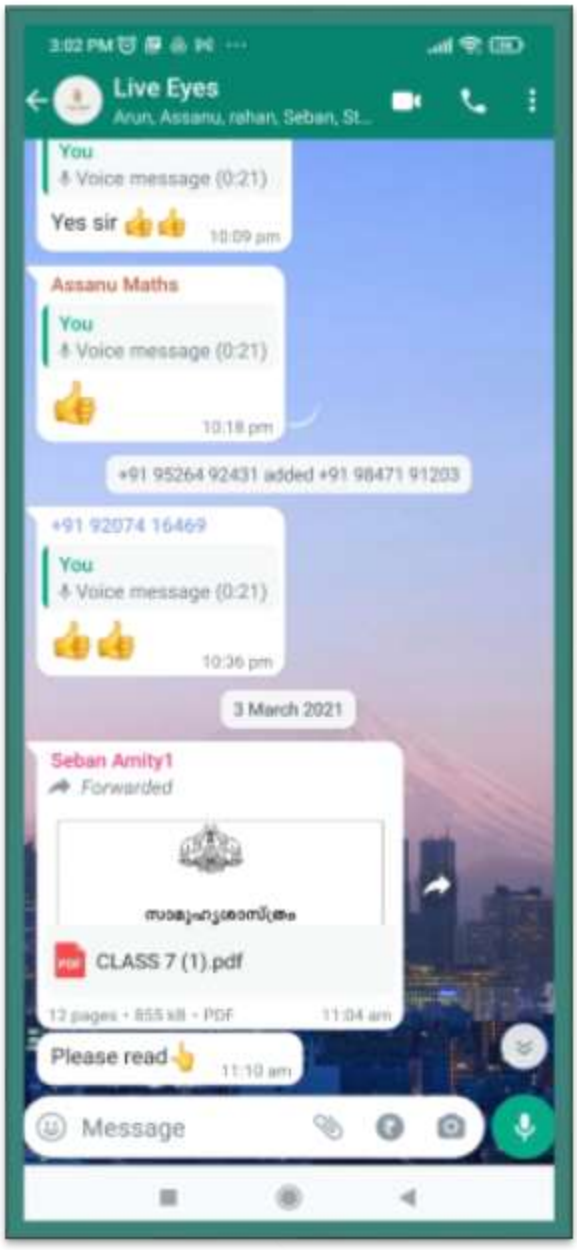
OverDrive

Assistance through technology - High mast lights placed in the campus have timers which will be automatically switched-on by 6.30 PM. This helps to use campus path-ways during evening.

Bareilly Magazine available in the Library

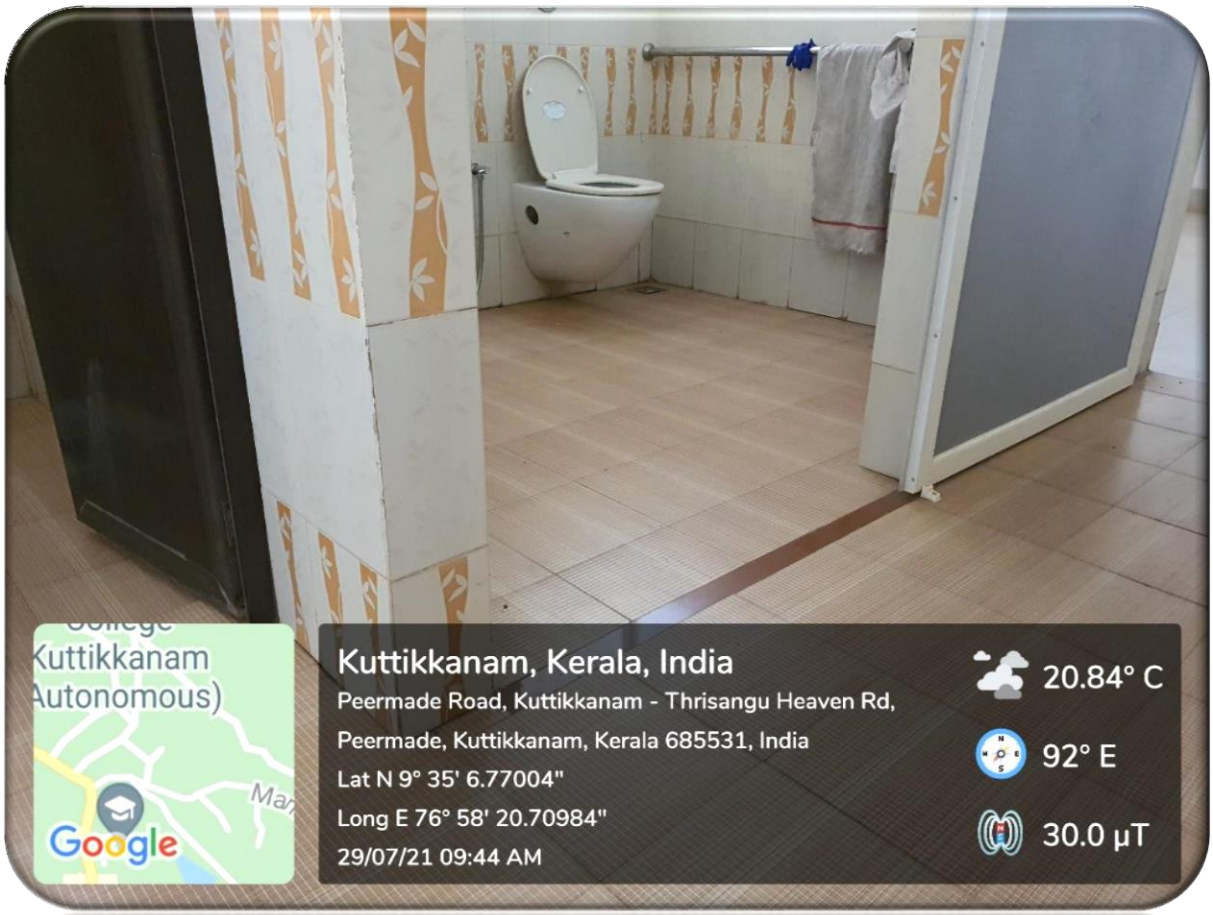
LIVE EYES



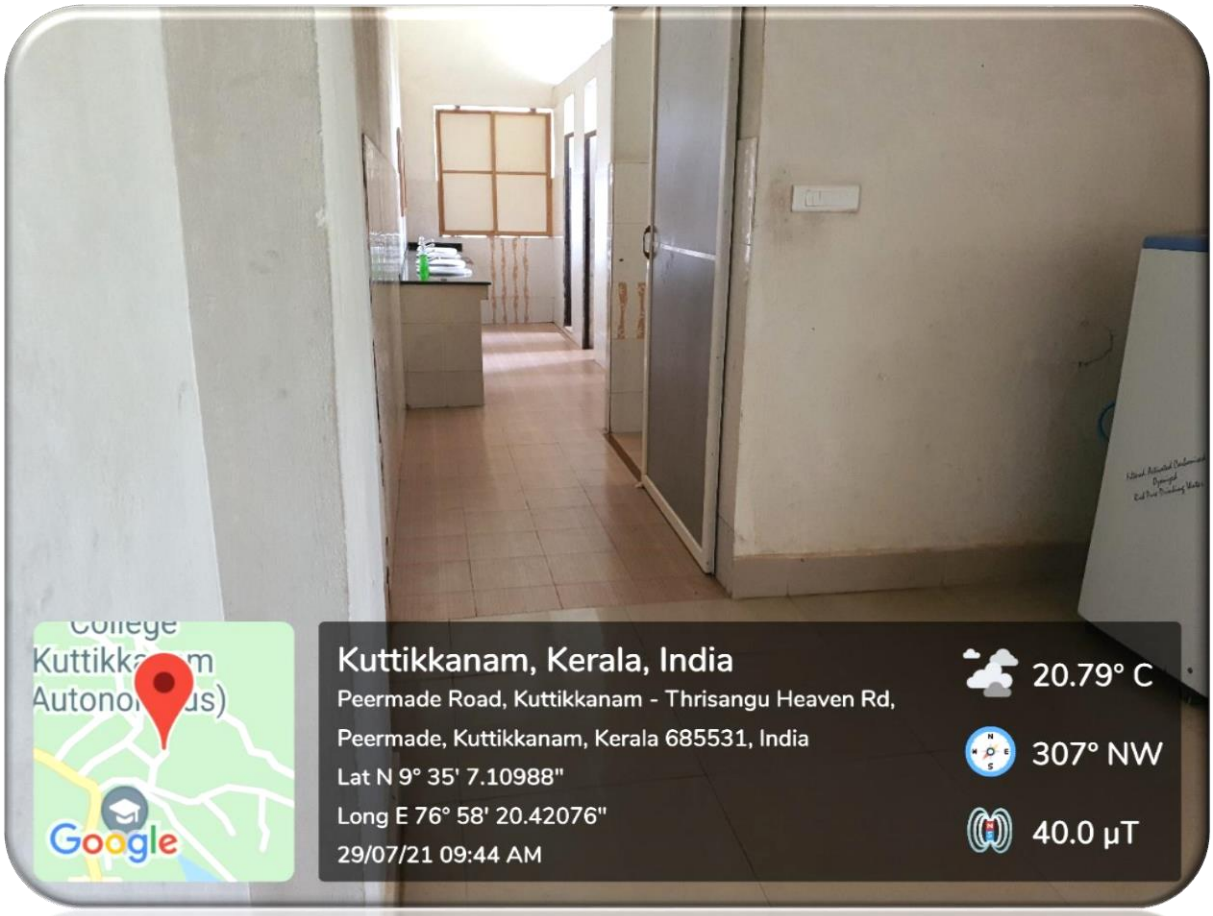
Live eyes is a What's app group for converting a documents to audio format for the visually challenged

Disabled-friendly washrooms

On campus, there are separate disabled-friendly washrooms with regular maintenance, cleanliness, and hygiene. Special toilets are available for those with physical limitations. Attendees find it easier to transfer impaired individuals to the bathroom with higher toilet seats. Additional precautions are taken to improve bathroom accessibility by giving greater space, and hold bars are designed to help people maintain their balance and reduce tiredness when standing.



Spacious Disabled-friendly Toilet with supportive Grab Bars



Disabled-friendly washroom which can accommodate Wheelchair users
