

MARIAN COLLEGE KUTTIKANAM
(AUTONOMOUS)

Common Rooms, Medical and Recreational Facilities

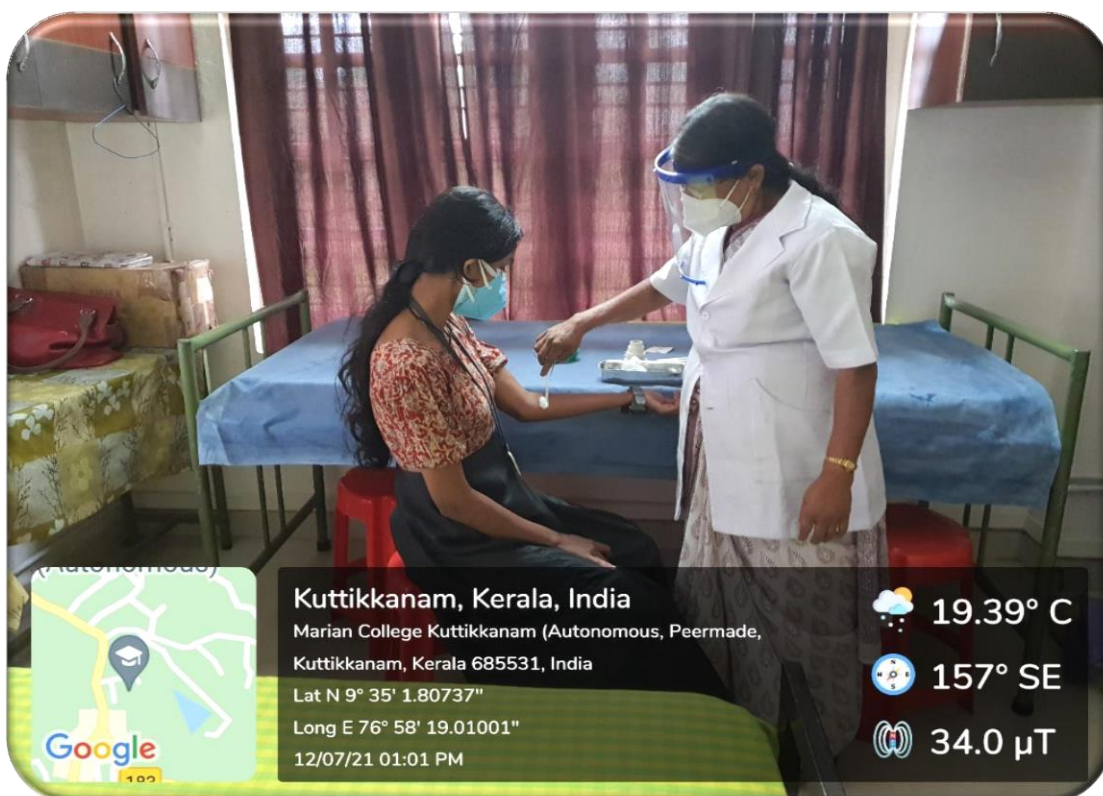

Submitted to

THE NATIONAL ASSESSMENT AND ACCREDITATION COUNCIL (NAAC)
FOURTH CYCLE OF ASSESSMENT

To facilitate our students, the College has established spacious and comfortable common rooms. We have common rooms in all the academic buildings, one for the boys and one for the girl students of the College for healthy recreation and for promoting mutual contacts among the students. The common room is provided with indoor games, chair and tables for having food and reading materials and to suit various other needs. It has attached washroom facilities and water purifier to provide drinking water, both cold and normal. Our College has recognized the need for personal space for students especially for girls, in a co – educational institution. Common room for girls is provided with a bed to rest in case of an emergency. An electric sanitary napkin vending machine installed in the room.

To provide First Aid in case of any medical urgency, the College has a well-equipped First Aid Room for the students and staff. A qualified doctor and an experienced nurse is present during the college hours to attend to any medical emergency and provide first aid.
