

MARIAN COLLEGE KUTTIKANAM  
( AUTONOMOUS )

# Safety and Security

Submitted to  
**THE NATIONAL ASSESSMENT AND ACCREDITATION COUNCIL (NAAC)**  
FOURTH CYCLE OF ASSESSMENT

To enhance campus security system, we have clearance and security check for visitors and staff. Visitors are permitted only to specific areas of the campus. Our students are given access cards that allow them entry into the necessary buildings. There are security personnel placed at each single entry point on campus. The college felt it would be comforting for girl students to have women security around especially when it comes to the hostel buildings. The college has hired three female security guards on campus, one of them is posted near the gate, taking care of visitors and ensuring girls walk on the pathways. Women guards are part of the security force in the campus to assist women students and staff.

We have 162 surveillance cameras serve as a visual deterrent to crime such as theft and break-ins. This can prevent and deter criminal activity and theft in parking lots throughout the campus community. Footage from cameras throughout the campus can be viewed online from any computer with an internet connection and access to the network.

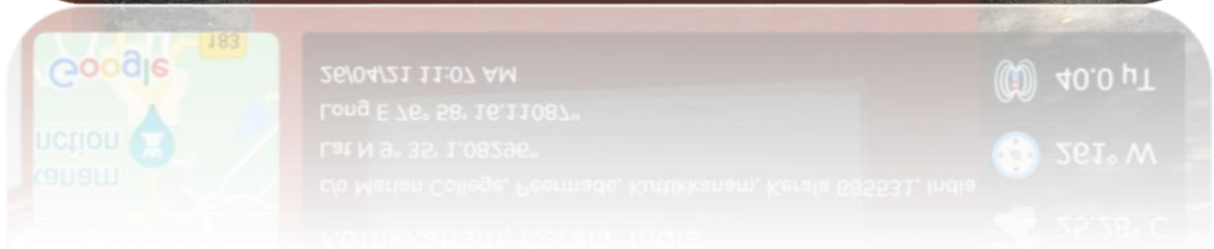

**Security camera in front of the Administrative block**

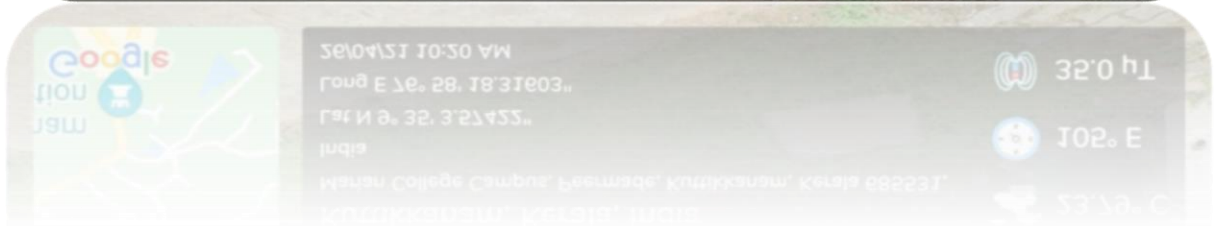

**Security Camera**

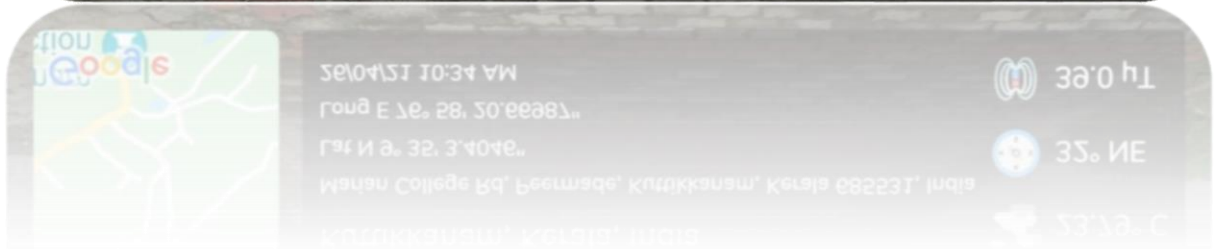

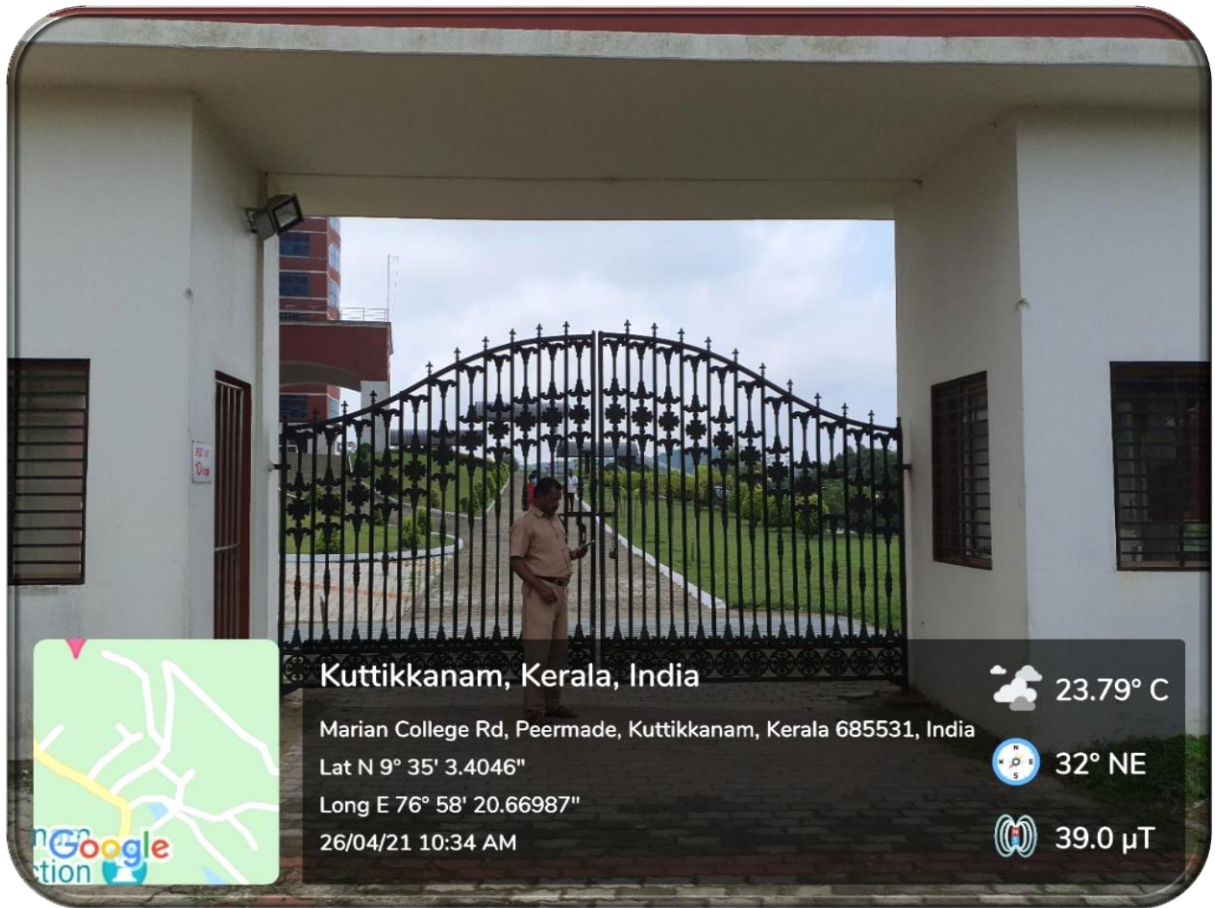

**Security room at entry point**

**Security Room on the way to Marian International Institute of Management**
