Other Service for Women Empowerment Community Outreach Programmes

Submitted to
THE NATIONAL ASSESSMENT AND ACCREDITATION COUNCIL (NAAC)
FOURTH CYCLE OF ASSESSMENT

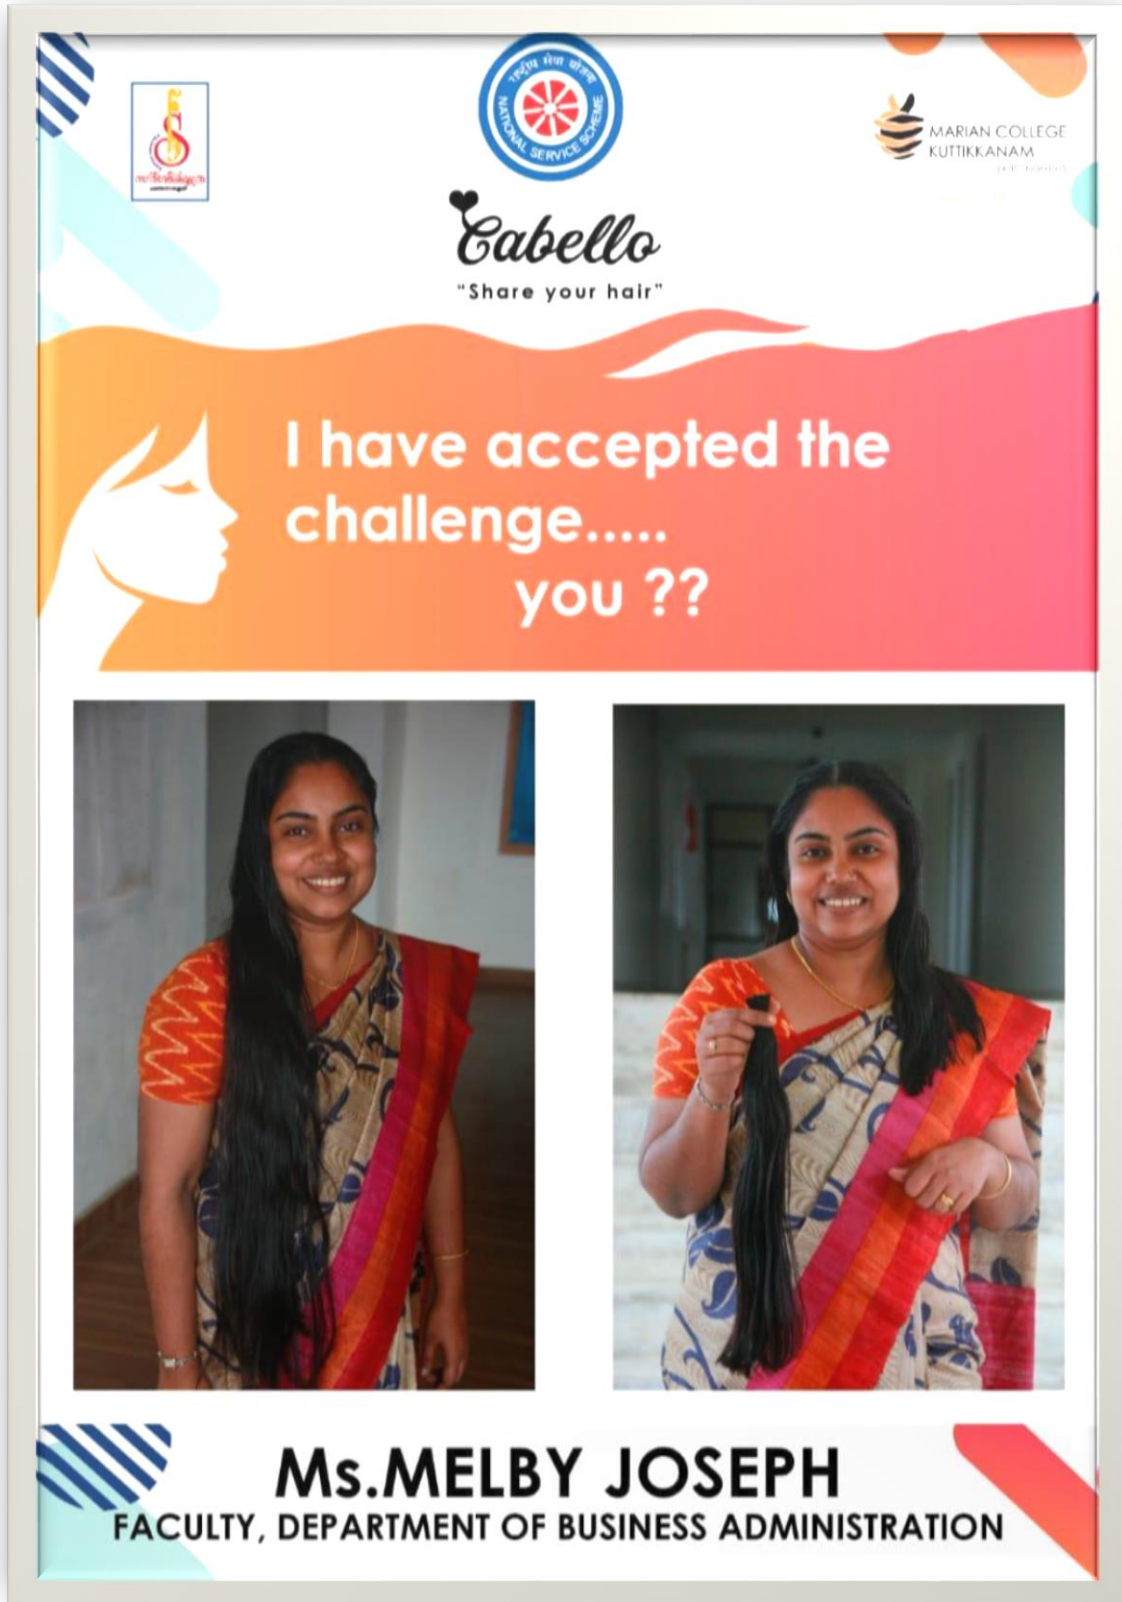

The Marian **Women Cell** is established to empower female students and staff to enhance their understanding of issues related to women in the society and to face the challenges with great courage. The goal of the Cell is to bring about the advancement, development and empowerment of women. The Cell functions arduously to enhance their status and thereby empower them through guest lectures, seminars, workshops, various awareness programmes and other welfare activities.

The community outreach program for Women aims at serving communities outside the College premises. These services are offered individually by students through their active engagement with various NGOs and also collectively by students and teachers by undertaking projects, arranging field trips, organizing workshops etc.

Girls NCC Unit

The **National Cadet Corps (NCC)** in the College plays a distinct role in shaping the character of our girl students by instilling the values of patriotism, service, discipline and hard work. The NCC provides exposure to the cadets in a wide range of activities with a distinct emphasis on social services, discipline and adventure training. A **Girls only NCC Unit** exists at the College, with the goal of developing disciplined, motivated, and responsible young women citizens.

UNAI

United Nations Academic Impact (UNAI) is an initiative that aligns institutions of higher education with the United Nations in supporting and contributing to the realization of United Nations' goals and mandates, including the promotion and protection of human rights, access to education, sustainability, achieving gender equality and empowering all women and girls. UNAI has created a vibrant and diverse network of students, academics, scientists, researchers, institutions of higher education, continuing education and educational associations. The work of these institutions is vital to achieving the Sustainable Development Goals and gender equality as they serve as incubators of new ideas and solutions to the many global challenges we face.
