

MARIAN COLLEGE KUTTIKANAM
(AUTONOMOUS)

Entrepreneurship

Submitted to
THE NATIONAL ASSESSMENT AND ACCREDITATION COUNCIL (NAAC)
FOURTH CYCLE OF ASSESSMENT

The Entrepreneurship Development Cell of our College is providing entrepreneurship awareness among the student communities. The Cell has been organizing various entrepreneurial promotional programs to transform students into entrepreneurs once they complete their graduation besides creating entrepreneurial awareness among them. The active participation of the student community in the program events helps to inculcate entrepreneurial spirit and culture among graduates apart from developing among them and propel them to be job creators rather than job seekers. The Cell has adopted a systematic approach to develop first generation entrepreneurs through awareness, motivation programmes, and interaction programs with leading entrepreneurs on a regular basis and provide entrepreneurial training to take global challenges and opt for self-employment.
