The Marian College Students Council, popularly known by its acronym MCSC, is a council of democratically elected student's representatives. The MCSC is the bridge that connects the students and the college. The duty of an MCSC member is to address and promote the interests of the students of the college. The council provides students an opportunity to develop leadership by organizing and carrying out college activities and service projects. It is a group of elected and volunteer students working together with a Faculty advisor within the framework of a constitution to provide a means for student expression and assistance in college affairs and activities. Through projects and activities, it works to promote citizenship, leadership, human relations and cultural values.
