## 2016-17

### **1. Organic and Environment Friendly Vegetable Farming - Government Harijan Welfare UP School, Kattadikavala on 10<sup>th</sup> August 2016.**

The NSS unit of Marian College Kuttikkanam has initiated an Organic Vegetable Farming program on 10<sup>th</sup> August 2016 at Government Harijan Welfare up School Kattadikavala in Idukki District. The aim of this initiative was to develop an organic vegetable farm jointly with the school and thereby promote vegetable farming free of pesticides and chemicals. This demonstration plot was in 20 cents of the land and 40 NSS volunteers participated in this initiative. All the volunteers were very much interested and dedicated themselves to the cultivation process. The volunteers wanted to promote healthy living and lifestyles. The outcome of the program was to improve interests towards organic farming among students. Group work and co-ordination skills of children has improved as a result of organic farming.

### “Fruit Tree Project in Thodiyil” June 5,2021

The Minister of Water Resources, Mr. Roshi Augustine inaugurated this year's Environment Day celebration online in June 5,2021 by distributing jackfruit saplings of Vietnam Early Variety as part of a “Fruit tree project in Thodiyil” for newcomers of Government Tribal Higher Secondary School Murikkattukudi this year. This is done under the leadership of Murikkattukudi Govt. Higher secondary School Teacher Lincy George in collaboration with Kuttikkanam Marian College Alumni Association. Mr. Suresh Kuzhikkattu ( Grama Panchayat President), Abdul Resakk ( School Principal), Dr.

Shiju Karikkakunnel ( Marian College Vice Principal) and Thankamanni Surendran ( Kanchiyar Grama Panchayat Standing Committee Chairperson ) participated in this program.

Environment Day Celebration on June 5,2021

## World Environment Day June 5,2021

World Environment Day is celebrated on 5th June 2021. The purpose of World Environment Day celebration is to spread awareness about the threat to the environment due to rising pollution levels and climate change. This day's importance was marked by making awareness posters, planting new seedlings etc. The NCC Unit of Marian College Kuttikkanam organised a web talk on the topic 'Climate Education & its Need in Educational Institutions'. The resource person for the webinar was Mr. Akhilesh Anil Kumar; Co- Founder & Director of 'Bring Back Green Foundation'. 57 cadets along with the caretaker Ms. Melby Joseph actively participated in the webinar. The webinar was really informative and made a remarkable understanding of the importance of the need for climate education.
