BHARATHOLSAVAM: ANNUAL ETHNIC DAY

Ethnic day at Marian is celebrated on June 19 every year with a multitude of colorful events that showcase the rich heritage and diverse cultures of India. Marianites celebrate the day wearing ethnic and traditional clothes and ornaments. Cultural events like traditional dance forms, music and food are some of the highlights of the day. The events also consist of a traditional **procession** (Ghoshayathra) with the active participation of all students in the College exhibiting the constitutionally unified nature of India.

International Students

The students from other countries are encouraged to be an integral part of the Marian academic community, familiarizing them with the rich culture of our country which leads the students to a deeper understanding of the various cultural backgrounds of students from across the seas. They find it an extremely rewarding experience to study in India. They find Marian campus very friendly, warm and welcoming.

REPUBLIC DAY CELEBRATION

The Marian community celebrates the Republic Day to commemorate the adoption of the Constitution of India with a multitude of programmes like hoisting the tricolour, singing patriotic songs and talks on national integration by invited guests. The 2019 celebrations were inaugurated by Capt. Rajesh Ramkumar, a veteran submarine captain, who shared his life experiences that enlightened the students and sensitized them about the Armed Forces in India. The Marian fraternity salutes the Indian Armed forces. We thank him for his service and sacrifice for the nation. The students also staged programmes showcasing the rich historic and cultural heritage of India.

River Restoration Activities

Rivers are the lifeline of any society. Marian has even been in the forefront to conserve water and spread the message on the importance of water conservation. Marian students engage in the restoration efforts of the streams and rivers nearby and the National Service Scheme volunteers of the College put in their efforts in cleaning and restoration of the Koruthodu River near Mundakkayam with the support of the local community. They instilled a much needed awareness on the importance of healthy water bodies and their conservation among the nearby inhabitants.
